

Mesa Community College Machine Appliqué Supply List

Linda Matteotti, instructor

Rotary cutting tools

1. 18 x 24" self-healing cutting mat
2. Rotary cutter with **fresh** blade
3. 6 x 24" acrylic ruler
4. 12" June Taylor Shape Cut
5. Open toe appliqué foot

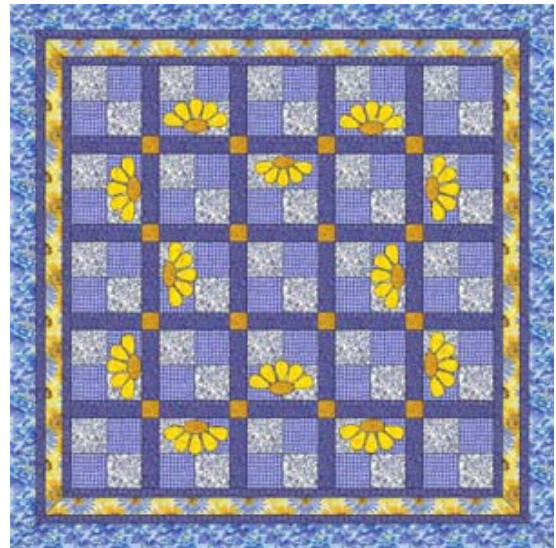

Sewing machine

1. Sewing machine in good working order with **fresh** needle
2. Neutral or coordinating thread for piecing blocks
3. Thread for appliqué – You may match the color of the appliqué, black or dark brown gives your piece a “folk art” look and variegated works well.
4. 3 bobbins filled with thread to match your choices above

Fabric

1. 1 yard each of 2 fabrics for pieced blocks
2. ¼ yard for flower centers
3. ½ yard for flowers
4. 1 ½ yards for sashing and 2 borders
5. ½ yard for floral border
6. 1 yard for outer border
7. 4 yards of fabric for the back of the quilt. You may use all the same fabrics, or a combination of fabrics which add up to 4 yards. (Backing won't be used in class.)
8. 70" x 70" batting (Batting won't be used in class.)

I've shown a layout of the class project. We will be making a quilt approximately 62" x 62". After learning the technique, it will be simple to make your quilt larger or smaller by adding more blocks.

Basic sewing supplies

1. Pins
2. Scissors
3. Thread
4. Bobbins
5. Seam ripper

Other supplies

1. Extension cord (at least 15' in length)
2. Roll of blue painter's tape 1" wide (the blue tape is low tack and will not leave residue on fabric)
3. Notebook and pencil for taking notes

WARNING: The Arizona heat is very destructive to rotary cutting mats. Leaving your mat in a closed automobile for more than an hour can result in warps and ripples that simply will not come out.
